

**North Carolina Provider Council
2018 Full Member/Provider of Services Benefits**

- Being part of an influential community of providers of services to people who require mental health, intellectual/developmental disability, substance use disorder, physical disability, foster care, vocational/work services and other related services (MH/I-DD/SUD) to remain in the community.
- Negotiations on behalf of members at the state level for statewide issues affecting our membership, and when issues affect multiple members, at the LME-MCO level.
- Invitation to participate in the NC Providers Council Membership/Leadership Forums.
- Invitation to participate on the Regulatory/Business Practices Committee, I/DD Committee and MH/SUD Committee. These groups do policy analysis that is second to none in our industry; and through these committees, and input from our Board of Directors, provides input that helps to shape and influence laws, rules, policies, procedures, service cost analysis, etc. at the NC General Assembly, NC DHHS, and/or LMEs/MCOs.
- Receipt of NC Providers Council DHHS, LME/MCO and News Updates and NC Providers Council Legislative Update/ The Policy Group, *The Capital Report* and other electronic communications sent to all members, as well as verbal communications/ updates on issues affecting your agency.
- Link from NC Provider Council website to your agency's website, and posting of your agency's logo on the NC Providers Council home page that when clicked, automatically directs the visitor to your agency's web page.
- Opportunity to participate in the NC Providers Council Legislative Day at the NC General Assembly and other grassroots efforts at the DHHS and LME/MCO levels.
- Membership certificate for displaying and promoting your membership in the NC Providers Council and your agency's commitment to being an ethical provider.
- Discounts on conference registrations and exhibit booths at the NC Providers Council annual conference.
- Voting privileges by your agency's designated voting member.
- Invitation to provide input to the NC Providers Council Board of Directors Strategic Planning Retreat.
- Participation in our Shared Resources Program.
- Credibility and strength through unity and organization.

In addition to the above benefits, you'll receive recognition for your organization as a service provider committed to ethical practices and quality services. Please review our Ethics Policy on our webpage.

If you have questions, please contact Bob Hedrick, Executive Director, North Carolina Providers Council, Office 919-784-0230, bob.hedrick@ncproviderscouncil.org.
